1] I am so grateful to be a part of this college. There are so many opportunities to develop our personality in any field. 2] College life was the best journey of my life. these three years were like three days for me which completed very fast. But, during these days many memories have been created. 3] At CGSP college , it always felt like a family, an another home, which helped me in my academic learning. I am thankful to all the faculty members like professor, principal, Staff of the College for their continuous efforts and support. 4] I feels great to be taught by amazing teachers who are the best. They always motivated and encouraged me to face the risks and learn new things.
