Kherdi Silvasa.

Subject : To give a permission of Plant Visit.

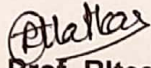

Respected Sir,

With the reference to the subject cited above it is to inform that Our College Students Com. G. S. P. College Talasari wanted to visit in your Plant on 23rd March 2022. There are total 49 students are to visit the plant. The aim of that visit is whatever Product you are manufacture in company that mechanism techniques are in our study. So that there is easy to understand that working principle and techniques to our students.

So I request you sir Kindly give us permission for that.

Thanking you,

Yours faithfully,

Asst. Prof. Ritesh Hatkar
HOD, Phy. Dept.

INDUSTRIAL VISIT REPORT

Today on 23rd March 2022 Physics Department of our college organized an Industrial Visit in KRYFS Company Silvasa. There are total 50 Students are participating in this Industrial Visit. The main purpose of that visit is whatever topic in syllabus that are practically observed how this instruments are manufactures and what is working principals behind that are explained by engineer Mr. Bhima Patel.

They are also explained that what materials are required for manufacturing of transformer for industrial purposes, domestic purposes as well according to need. they are manufacturing the transformer. After that this transformer are testing what methodology are uses for that is also well explained. Students are curiously understand that working principals, testing methodology of transformer.

Its our gratitude that Such company gives us opportunity to visit the plant from their busy schedule. And I am also thankful to all staff of this plant who cooperate us.

This Industrial Visit are successfully planned Under the guidance of our College

Principal Dr. B. A. Rajput.
