15. Multidisciplinary / interdisciplinary

In order to develop the all-round capacities of the students - intellectual, aesthetic, social, physical, emotional and moral in an integrated manner, the college is preparing to include multidisciplinary subjects as per the National Educational Policy 2020. Keeping in view the problems faced by the students, the college is planning to set up short term and vocational courses. The aim is to make the students equipped, so that they don't need to rely on Government jobs but instead pave a way towards self-employment. As the College is preparing itself to have more of multi-disciplinary subjects it tries to identify the programme learning outcomes along with courses and unit learning outcomes that define the specific knowledge, skills, attitudes and values that are to be acquired by the learner and would ensure that each programme achieves its goal.

16. Academic bank of credits (ABC):

Regarding the implementation of Academic Bank of Credits, the institution has to wait for the academic council to give a green signal. The pedagogical approach of the institution is student's centric where the faculties' pedagogical approaches are constructivist, inquiry-based, reflective, collaborative and integrative. Summative and Formative assessments and assignments are used to evaluate the Students learning outcome.

17. Skill development:

The vision of the college is promoting Value-Based Quality Education, hence the college takes efforts to inculcate positivity among the learners. The college also celebrates National festivals like Independence Day and Republic Day. Observing various programmes like World Aids Day, Environment Day, observing the Death and Birth

Anniversary of our National leaders which help in imbibing the good qualities of the students. Mentoring students is also one of the practices of the institution, to enable students to explore future employment pathways after graduation, and help them get the most of their studies.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

Regarding the adoption of Indian languages, the college offers various Indian languages like Marathi subjects in degree courses and Certificate Course on Warli Painting. Preservation and promoting of languages is one of the target of the College in future.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

The College also makes an effort to understand that a pursuit of knowledge is a life-long activity and to acquire positive attitude and other qualities which will lead students to a successful life. To interpret, analyze, evaluate and develop responsibility and effective citizenship is one of the programme outcome of the students.

20.Distance education/online education:

The College is also preparing itself to offer Distance course through YCMOU (Yashwantrao Chavan Maharashtra Open University) in due course of time. Keeping in view the convenience of the student, the various technological tools used by the faculties especially during the pandemic lockdown are Google Classroom, Zoom, Google, using videos as teaching and learning aids, Group collaboration and interaction and assignment and revision as well as the assessments have been conducted are some of the institutional efforts towards blended learning.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

ICT-Enabled Tools for Effective Teaching and Learning Process

The Institute follows ICT enabled teaching in addition to the traditional classroom education. Subsequent efforts are taken by the institute to provide e-learning atmosphere in the classroom:

1. In addition to chalk and talk method of teaching, the faculty members are using the IT enabled learning tools such as PPT, Video clippings , Audio

system, online sources, to expose the students for advanced knowledge and practical learning.

2. Some of the Classrooms are fully furnished with LCD/OHP/Computers

3. Most of the faculty use interactive methods for teaching. The

major emphasis is on classroom interaction in terms of research paper presentations, seminars, debates, group discussions, assignments, quiz/tests/viva and laboratory work.

Institutional Premise is Wi-Fi enabled

1. Specialized computer laboratory with an internet connection has been provided to promote independent learning. Wi-Fi facility for access of internet is provided on laptop and computers in computer lab and students' and staff's mobile devices.

2. Well security is provided to Wi-Fi users. Its access is controlled by the system administrator

3. e-Books, e-Journals, online and offline video's, Educational CD's, Statistical Software , Animation Templates, etc are used by teachers and students

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and

mode. Write description within 200 words.

College follows the rules and guidelines of University of Mumbai regarding the assessment and evaluation process of performance of students. The internal assessment is carried out in a systematic manner for theory, practicals and other courses. Academic calendar is prepared at the beginning of each semester and is made available on the notice-boards of the departments. The dates and schedule of internal assessment are displayed through the notices to the students well in advance. For theory sessional assessment the question papers are prepared at the department level with reference to old question paper/question bank/book followed by faculty members. Question papers are prepared by individual faculty/ faculty members teaching the same subject. Quality of question papers are checked and final question paper is approved by concerned authority. Assignments are allocated on weekly basis by faculty teaching the subject and are uploaded on the college portal. Answer sheets are evaluated and checked answer sheets are shown to the students. Sessional result analysis is discussed with Principal and Examination committee A comparative evaluation of student's performance is carried out. Internal tests are conducted. For assessment of laboratory course an internal practical viva is conducted by respective faculty member at the end of course.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

College Level:

If a student fail to appear for examination due to medical or any genuine reason, examination is conducted for that student as per norms, provided that he/she submits application with proper documents. If any student scores less marks and wants to improve in that subject, he/she can appear for the improvement examination. The grievances of the students regarding assessment are made clear by showing his/her performance in the answer sheet. The answer sheet of such student is assessed by the faculty once again in the presence of the student. Any corrections in the total of marks or assessment of answer books as identified by students

are immediately done by the examiners. Any student who is not satisfied with the assessment and award of marks may approach the concern teacher/examiner. The student performance is displayed on the notice board.

University level:

With reference to evaluation, if the student scores less mark than expected, he/she can apply for reevaluation of his/her answer script after paying the prescribed fee. University provides the photocopy of answer sheets to students regarding any grievances with reference to evaluation. Student can apply for reevaluation if he/she feels that evaluation is not correct.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

The following mechanism is followed by the institution to communicate the Programme and Course Outcomes to the teachers and students.

- Graduate attributes are described to the first year students at the commencement of the programme.
- Learning Outcomes of the Programs and Courses are observed and measured periodically.
- The importance of the learning outcomes is communicated to the teachers in every Staff Meeting.
- The students are also communicated about the Programme outcomes, Programme Specific Outcomes and Course outcomes through Tutorial Meetings.
- The most relevant concepts that arise in everyday life are identified and strategies in order to arrive at the solutions in the respective subjects are devised and are made to understand the connection between key concepts and applications.
- Use basic laboratory equipment correctly and effectively in order to conduct measurements, and analyse and interpret the results, including a quantitative understanding of

uncertainties.

- Locate existing scientific research relevant to a given topic, and evaluate its accuracy.
- Communicate the results of scientific work effectively, making use of clear and well organized writing and presentation skills, and employ equations and visualization tools as needed

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The College adopts direct and indirect methods of assessment for attainments of PO's and CO's. The institution evaluates them and communicates with the students through discussion in the classroom/ notice board.

Direct Assessment Methods

- Internal Test
- Group discussion
- Laboratory performance (Term work)
- Student projects
- Assignments
- Semester Test
- End term Theory Result

The score of this assessment is taken into account for evaluation CO's.

Indirect Assessment Methods

- Feedbacks
- Alumni survey
- Co-curricular activities
- Extracurricular activities

Feedback mechanism is used to improve Teaching learning process in outcome based education.

Internal assessment is the requirement of the continuous assessment and is essential for the fulfilment of the COs and PO's. There is an internal examination committee that deals with the effective implementation of the evaluation reforms regarding the attainment of course outcomes and programme outcomes. The committee initiates a few steps such as Unit Tests, Field Survey, Study Tours, Practical Work, Seminars, and Internships etc.

Besides, The College also tries to attain the course outcomes and program outcomes by conducting the activities such as cultural activities, N.S.S, Career Counselling, Personality Development Program, and Communication Skills, organizations of Scholarly Lectures Health Awareness Programs etc.

<p>4.3 - IT Infrastructure</p>									
<p>4.3.1 - Institution frequently updates its IT facilities including Wi-Fi</p>									

With the increasing demand for internet access in educational campuses due to evolving standard of education and flexibility offered by the Internet - universities, colleges, educational institutes etc., are keenly stepping forward to setup secured and stable wired or Wi-Fi network campus for their students. As per the current market trend, most of the students like to carry 3-4 devices with them like mobile, tablets, laptops, etc. with them to campus. As these devices devour bandwidth, colleges and universities are struggling hard to keep up with the bandwidth demand. Educational campuses have major requirements of user access control, control over bandwidth consumption, and differentiated policy control for management faculty's access and student's access. These campuses with wired and wireless internet access require seamlessly roaming facility to access internet from class room to library to labs and residential areas. Laying complete network with different vendor solution would be very costly effort and difficult to manage while technical issues. Education institutes require cost-efficient comprehensive solution that offers all the advance facilities and features in single platform with single point of contact for technical support. Also we have provided Wi-Fi facility to student in campus. Campus is having 30 MBPS speed internet facility.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

An effective performance management system plays a crucial role in managing the organisation in an efficient manner. In line with this, the Institute is following the appraisal scheme suggested by UGC .At the end of each academic year, the data pertaining to the

above categories are collected from each faculty member in the proforma suggested by UGC. The Principal in consultation with senior Professors fix certain minimum API scores to be achieved by the faculty members. These scores are used for the award of career advancements to faculty members and for promotion to next higher position. Further, at the end of each semester, feedback forms are issued to the students for each of the courses attended by them. The feedback forms in the form of questionnaire collect information about the teacher and different aspects pertaining to the teaching process. A team consisting of the Head of the Department and Senior Professor in the Department, goes through the feedback forms collected from the students and suggest suitable measures to improve the teaching-learning process. As such there is no performance appraisal system followed for non-teaching staff in the institute.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The Institute IQAC prepares, evaluates and recommends the following for approval by the relevant Institute and Govt. statutory authorities:

- (a) Annual Quality Assurance Report (AQAR)
- (b) Self-Study Reports of various accreditation bodies (ISO 9001, UGC 12b, NAAC)
- (c) Performance Based Appraisal System (PBAS) for Career Advancement Scheme (CAS)
- (d) Stakeholder's feedback

The two examples of practices institutionalized as a result of IQAC initiatives are as follows:

IQAC led the efforts to acquire the ISO Certifications in the last 3 years.

1. The Institute IQAC planned, organized and executed the necessary steps that included the preparation of detailed quality manuals, identification of key performance indicators and mapping the various processes across the entire functioning of the Institute, which finally led to the successful award of the ISO 9001:2015.

(b) The IQAC led efforts to the successful implementation of modern technology in the Institute's administrative functioning through ICT in the last few years. Automation of admission, financial and examination processes, upgradation of Wifi and LAN facilities, have significantly contributed to an enhanced quality of teaching-learning experience.
